County Council Establishes New County Board Of Education Here

**COUNTY ROTARIANS ATTEND
CONVENTION IN MEXICO CITY**

Shown in the picture extreme right and left is Mr. and Mrs. Percy Brintnell of Minden, with them are Mr. and Mrs. John A. Robertson of Haliburton, and a Mexican friend in full Mexican dress.

The two Rotarians of this county were among the thousands of Rotarians from more than 60 countries who attended Rotary International's 59th Annual Convention, held in Mexico City from May 12th to 16th.

For Mr. Brintnell, this convention was his second, and he went as a voting delegate of the Minden Club. Official delegates to the Convention elected to office Rotary's world leader for 1969-70 and took action on proposed legislation. They also elected international officers for the year beginning July 1, 1968.

On Monday afternoon, May 13, the Convention divided into more than 50 assemblies based on a

Rotarian's business or profession. Called Vocational Craft Assemblies, these meetings give Rotarians an opportunity to exchange ideas — to "talk shop" with other Rotarians from around the world, whose vocations are the same as their own. Mr. Brintnell attended the assembly on Building material.

On Monday, May 13th, Gustavo Diaz Ordaz, President of Mexico, addressed the Convention. Other speakers included: Bill Moyers, former Press Secretary of President Johnson; Ambassador Sol Linowitz, U.S. delegate to the Organization of American States, and Roberto de Oliveira Campos, President of Investbanco, Sao Paulo, Brazil.

A highlight of the program was a symposium on Law and Order on Wednesday morning, May 15th, featuring a panel of international police chiefs and jurists.

County Council met in the County Chambers on Monday, May 27th.

This was a special meeting to discuss and pass a by-law establishing a county board of education. The new board which takes office January 1st, is made up of fourteen members representing all the districts in the county.

Of these fourteen members three will represent Dysart et al, two from Stanhope and two from Minden. Each of the other municipalities are entitled to one member.

Each municipality will elect their representatives at municipal elections held this December. This new board will be the only board of education throughout the county, they will be responsible for both elementary and secondary education.

ROTARIANS HAVE SMALL CROWD AT SPRING FROLIC

On Tuesday evening, May 28th, the Rotary Club of Minden staged a Spring Frolic Dance held at the Legion Hall in Haliburton, with proceeds going to the Minor Hockey Association.

Rotary members were somewhat disappointed with the small turn-out, when proceeds were going to a worthy cause. However the thirty some odd couples who attended had a very enjoyable evening, dancing to some fine music supplied by the Blue Echoes of Toronto.

The women of the Legion in Haliburton catered to the buffet lunch, which was excellent.

The highlight of the evening was the presentation of an electric wrist watch to Mr. Don Campbell, President of the Minden Minor Hockey Association, for his outstanding contribution to Minor Hockey in Minden over the past four years. The presentation was made by Rotarian Alan Greir.

THURSDAY SMILE

A man begins cutting his wisdom teeth the first time he bites off more than he can chew.

WORK ON VANKOUGHNET ROAD WELL

UNDERWAY — COMMITTEE CHAIRMAN REPORTS

Chairman of the Vankoughnet Road Committee Charles Brandon gave a report to County Council at their special meeting Monday May 27th, concerning the progress of the Road.

Mr. Brandon said, "The first phase of construction will be the building of a bridge between Little Boskung and Little Boskung Lakes, west of Carnarvon. It is possible that tenders will be called this summer or early fall. It is expected construction will begin this, fall, at an estimated cost of \$200,000." He went on to say "The committee hopes that a program will be set up this winter to clear the right-of-way, on the first two and a half miles of road commencing at Carnarvon."

The Department of Highways will bear the cost of construction which will be approximately \$80,000 to 100,000 per mile. The county is required to purchase at 50 per cent of the cost, the property for the highway. This does not run too high for most of the property is Crown Land. The road is classed as a development road with paved surface of 22 feet.

This road will play a large part in the development of this county

for it will open a direct route from the Muskokas to the Haliburton Highlands.

A THANK YOU TO THE GLEE CLUB OF HALIBURTON HIGH SCHOOL

On Wednesday, the twenty third, they gathered from all parts of the county at Hyland Crest, to give a delightful performance. Concerts such as this are a highlight in the lives of the residents who are not all able to attend affairs outside the home. It warms one's heart to see the young folks taking this interest in our Senior Citizens.

The choir sang beautifully and the solos and duets sung by Paul Carpenter and John Jermyn were exceptionally fine. They have splendid voices and sang with sensitivity and good diction.

The modern folk song with guitar accompaniment by Miss Margie Fawns was very much enjoyed as was Miss Candice Bailey's solo.

Once again many thanks boys and girls and a special thank you to Mr. Bill Gliddon your very talented conductor and accompanist.

HERE AND THERE

by FENWICK FINCH

As Robbie Burns said —

"Oh wad some power the giftie gie us
To see oursel's as others see us!
It wad frae monie a blunder free us!
An' foolish notion."

We got such a letter from my sparring partner Mrs. Matalas — and for the sake of harmony and the pursuit of happiness it won't reach the light of day. Your letter, my friend, has been viewed by the people concerned and you may rest assured action will be taken.

Thank you for taking enough time and interest to write us.

* * * *

The Red Cap Forever Society now has its official flag. We got it in the mail the other day from an "anonymous" donor. "Fly it in good health" was all that was said.

That gives us two flags — one owned by "Mike" Maher and used for the MacKayville sector of the Club and the other for the river-road headquarters. Our membership is small as yet but all the members are staunch and patriotic to the Society's precepts.

* * * *

A real danger spot is developing in the village — the corner at the South end of the bridge. There is a stop sign there but, like the Ancient Mariner, "it stoppeth one of three." — someone is going to get "pranged" before too long and then what happens?

I watched it a couple of times over the long week end and the tourists came highballing through as if they were on a main highway.

We don't have many accidents at this spot, but when we do — it'll be a dan — dan — dandy.

* * * *

Mrs. Jean Sears has been a great help to us in the past and she has come up with another suggestion that I personally think is a good one.

Jean feels, and rightly so, that we, the older generation, are too prone to keep finding fault with the teenagers. It's about time we came up with some of the good things they do. According to Jean we all forget that we were once "teen-agers" and not the purest type either — except for the fact that we didn't get the publicity the youngsters of today get.

So, help me out, let me know what goes on with the teenagers and I'll see they get the recognition they deserve.

* * * *

In this day of automation a friend of mine is having trouble at his office — his secretary, she is too dangerous to have around the office — too many moving parts.

* * * *

I've had a couple reports on "sightings" they took place North of Minden within the last three years but the people don't want their names mentioned. The objects follow the same pattern — about 30 feet across and fourteen feet thick and move with amazing speed.

* * * *

Until next week, think on this. "Nothing is more wasted than a smile on the face of a girl with a forty inch bust."

Fenwick

SPEEDING CHARGE AGAINST MINDEN

AMBULANCE OPERATOR DISMISSED

Lindsay lawyer M. J. Cunningham Wednesday said a directive should be sent out to small fire departments in the area instructing them what to do when a vehicle has been out of their area and they are trying to get back as quickly as possible.

The recommendation came during a speeding case against a Minden ambulance driver, David McGee, 25, in Lindsay magistrate's court Wednesday.

Coboconk OPP Constable A. J. Kea, who charged McGee with speeding February 23, told the court the accused had been driving the Minden ambulance at a 35, without flashing lights or a high rate of speed on Highway siren operating.

Constable Kea said the ambulance went through the village of Norland at 50 to 60 miles per hour.

Eldon Deacon, chief of Minden's volunteer fire department, said the fire department in Minden operates the village's ambulance service. They have only one ambulance. He said the ambulance had transferred a patient to a Toronto hospital and the department has a standing order that any fire department vehicles which leave the area must be

returned as soon as possible.

But the fire chief said he did not know whether it was permissible to use the flashing light and siren when the vehicle is empty.

Magistrate Ian Munro in dismissing the charge said there did not appear to be any law specifically dealing with this type of situation but added there should be legislation allowing empty ambulances to use sirens and flashing lights when they are hurrying back to their own area.

He recommended ambulance operators use their flashing lights when they are hurrying back to their own area.

He recommended ambulance operators use their flashing lights as a safety feature in situations of this nature.

Crown Attorney Lorne Jordan said the ambulance driver should have called the Ontario Provincial Police for a police escort.

Lindsay OPP Sergeant Gordon Stout said today the OPP would not clear the highways for an ambulance under these circumstances.

HALIBURTON WOMAN HURT IN ACCIDENT

A 61-year-old Haliburton woman, Ann Dobbie of Haliburton is in fair condition in Lindsay hospital with injuries sustained early Sunday morning when a car driven by her husband, John Dobbie, 72, of Haliburton went out of control on the Kennis Lake Road, two miles north of West Guilford and crashed.

Ross Memorial Hospital authorities said Mrs. Dobbie sustained possible chest injuries, lacerations to her knee, shock and multiple bruises and abrasions.

Damage to the 1963-model car was estimated by police at \$300. Minden OPP Constable Gene Whitney investigated.

EUCHRE PARTY

The committee in charge held a euchre party in the Community Hall on Wednesday night. The high prizes were won by Mrs. Clara Watson, and Mr. Jim Peacock. The consolation prizes were won by R. Schell and R. Henderson.

Mr. Jim Peacock had the most lone hands.

Lunch was served.

The prizes were donated by Eva Peacock, Mrs. Leary Emery Toronto, House of Beauty Hairdressing, Lindsay, and Shirley Martin.

A TIMELY FABLE

With all three levels of government spending (and taxing) as never before and with a federal election under way, hard pressed taxpayers may see the following fable as both apropos and timely — and one which they might with advantage communicate to lawmakers and would be lawmakers alike between now and June 25.

The following is reprinted from "Industry", a publication of The Canadian Manufacturers' Association, Toronto.

It concerns the story of the Beaver, the Magpie and the Fox who lived together on an island. One day the Magpie announced that he had a Project, and that the Beaver must give him logs so that the Fox could build the Project (which of course was truly a most desirable one.

Every day the Beaver carried half the logs he cut up the hill where the Magpie lived. The Magpie asked the Fox how many logs he would need to build the Project, and the Fox said that they would have to guess, but it would be a lot. The Magpie, who was a busy bird with many other things on his mind, agreed.

When the Beaver complained about the number of good logs he was carrying up the hill, the Magpie told him that the Project was growing more and more exciting and it was a pity that the Beaver could not see it because the Fox was building it on the other side of the hill. So the Beaver thought "Well, if I must, I must. I am after all an honest Beaver, and they, after all, are Experts."

The day came when the Magpie chose to go see how the Fox was getting on with the Project, which was in truth taking many more logs and much more time to complete than he had thought it would. He was surprised to find that it was even less ready than it should be that parts of it were quite unsuitable for their purpose that piles of logs had been left too near the river which had washed them away, and that the Fox had thought fit to take a lot of other logs with which to build himself a fine house.

The Magpie argued with the Fox, who said that was the way of the world and that there always was a lot of waste on projects. Then, being a talkative bird, the Magpie flew off and told the Beaver what had happened.

Next day the Beaver hid all his best logs in the bracken, and only carried up the hill a few bent and useless ones for the Project. "If that is how many logs are being wasted," he thought to himself, "there is no point in being an honest Beaver any longer."

Moral: If governments don't look after the millions the taxpayers will look after themselves.

REEVE DRAWS KINSMEN MARATHON WINNER

Pictured here from left, Kinsmen Harry Earl, Reeve Charles Brandon and Kinsmen Lyle McKnight. Mr. Brandon officiated at the Kinsmen Marathon Draw, for \$1,000. He is shown holding winning ticket of Mrs. Evelyn Payne of Bramalea, Ontario. The Kinsmen are preparing now to hold another Marathon Draw, get your tickets early.

QUIET OVER HOLIDAY WEEKEND

Sgt. Jack Eastwood of the Minden OPP Detachment reported a very quiet weekend as for traffic accidents. "However," he said, "Our Detachment was kept busy with general duty calls. We only had to investigate eight accidents."

One accident occurred on Monday at 2 p.m. A 1962 International Tandem truck owned by Keystone Construction Limited and driven by 20-year-old Charles Catherwood of Mt. Pleasant Toronto, went out of control and spun into a rock cut, causing \$3,000 damage.

The truck was loaded with gravel and was heading north at Buttermilk Falls when the accident happened. No injury was sustained by the driver and no charges were laid.

The first accident on Monday occurred at 4 a.m., 3 miles east of Irondale on Highway 503. A 1967 Datsun sedan driven by Edward Godfrey of 311 Juliet Rd. Peterborough hit a rock cut causing \$400.00 damage. The driver received chest injuries and was admitted to Haliburton Hospital where he was later transferred to Peterborough Civic Hospital. Charges are pending.

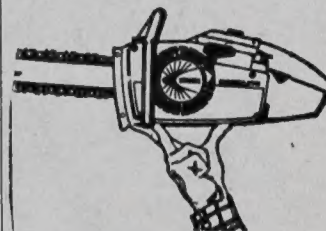

A second accident on Monday had damages estimated at \$1,500. It occurred at 6.55 p.m. at Par-

trich Lake. A 1967 Ford driven by Fariduddin Siddiui of Toronto lost control of his vehicle and went through some guard-rails. No charges were laid.

All three of these accidents were investigated by Constable Joe Watson.

Bowlers End Season With Banquets

UNITED CHURCH BOWLING LEAGUE

On Wednesday, May 8th the Tues Ladies had their banquet at the Wagon Wheel with thirty four ladies in attendance. After a delicious dinner the ladies adjourned to the Recreation Room for the meeting and presentation of Trophies.

The Crest Hardware Trophy and United Church Trophy went to Marnie Bunn with high single 347 and the Ogoogo Trophy and United Church Trophy for high triple went to Helen Cox with 832.

Mary Little and her team of Dorothy Walker, Pearl Easson, Blanch MacIntosh and Al Hodgins won the Minden Bowl Trophy for highest team in inter league play offs.

Mary Cox and her team of Lil Martin, Florence Finlay, Millie Prentice and Audrey Pipher won two sets of prizes for high team of the year and also high team in their play-offs.

Officers for coming season are President Lil Martin, Vice-President Irene Hodgins, Sect. Millie Prentice, Treas. Chris Lazier and

captains Marnie Bunn, Mary Little, Millie Prentice, Jean Taylor, Mary Cox, and Ina Brintnell.

ACW BOWLING LEAGUE

The members of the Anglican Thur afternoon league had their banquet Wednesday May 22, at the Parish Hall. After the dinner the ladies who served were given a clap of appreciation for the delicious meal.

Awards were made to Connie Burk, high ave. for two leagues the Easton Red & White Trophy with 213, High triple for inter leagues Dollo IGA Trophy with 745 to Doris Craig, and Minnie Low high single for inter leagues Austins Esso Trophy with 346. High single in this league Shirley Hughes 335, High triple Norma Parrish 816 this league high team of the year and this league play-offs was Jeanne Sears and her team of Connie Burk, Wanetta Kimble, Florence Booth and Martin Taylor also taking the Floyd Hall Trophy for second in the inter league bowling. Roberta Walkers team took the third place trophy in inter league the Dave Sawyers Trophy. Our Senior

member Mrs. Eleanor Walker was given and pin and Mrs. Medley received a gift as well.

Executive for the coming season are President Jeanette Payne, Vice President Vera Kernohan, Treasurer Lydia Coulter, Secretary Jean Hyde, Social Convenor Eleanor Walker and Captains Roberta Walker, Doris Craig, Shirley Hughes, Mima Burwood, Lee Berry and Vera Kernohan. The evening concluded with games of cards with winners for cribbage Effie Newman, Jeanne Sears and euchre Anne Thurston high and lone hand and Jean Hyde.

This league showed a balance of \$116.26 for the year and since 1960 have turned over \$1689.91 to the ACW which has been used to improve the kitchen.

CATHOLIC LEAGUE

The members of the Catholic League had their banquet at Gelerd Gardens Wednesday May 22. Prizes were awarded to Joe Dollo 347, Anne Dawson 296, high triples to Bob Coburn 861 and Doris Coburn 694, perfect attendance to Mary O'Toole and lows to Thelma Crago and Lorne Dawson.

This group plan to bowl Sunday nights at 7 at Minden Bowl with proceeds for prizes and the Banquet and they welcome anyone wishing to join them. They will have no sponsor, so join them for an evenings fun.

TOMMY HUNTER SHOW

TO APPEAR IN HUNTSVILLE

The stage is set for the appearance in Huntsville of one of Canada's most popular family television entertainments — The Tommy Hunter Show on July 28th.

Sponsored by the Muskoka Winter Association as a fund raising night for winter promotional purposes, the popular stars of this TV spectacular will bring their live talents to Muskoka, Parry Sound and Haliburton residents from the Huntsville Memorial Arena.

Included in the presentation along with Tommy Hunter, Canada's bright young musical personality emcee, will be his regular season back-up troupe, — pert and pretty singer, Debbie Lori Kaye; Al Cherny, — versatile fiddling genius and long time favourites, The Rhythm Pals, — Mike Ferbey, Marc Wald and Jack Jensen.

Summer '68 should be a bit brighter and more interesting for the appearance of this happy, rollicking group who entertain us via video all through the year.

SPORTS

WITH BOB BEENEY

Controversy still rages over the Canadian Amateur Hockey Association decision to lower the age limit of junior hockey players.

However one hockey association has decided to defy the decision as handed down by the C.A.H.A.

Early this week the Western Canada Junior Hockey League announced it will raise to 21 from 20 the player age limit for the 1968-69 season. Scholarships will also be offered for study at universities and vocational schools.

Players who are on scholarships will be allowed to play in the Western Canada Junior Hockey Association at an annual meeting in Windsor decided to lower the age limit for junior players by five months. The decision followed an agreement with the National Hockey League. There isn't any doubt in my mind that this decision was made because of the huge financial support that the C.A.H.A. received from big business Chairman of the W.C.J.-H.L., W.D Hunter said in a news release the league felt that with a reduced age limit for hockey players Canada would be in danger of losing many fine young hockey players and potential citizens to the United States on scholarship programs.

This is indeed true and I feel that the Federal Government should take steps to rectify this most serious problem. If the Federal Government, and it certainly seems that government takes this view, has too many other serious problems to contend with then the problems that amateur sport contends should be passed on to other agencies at a different level of government.

Unfortunately too many parents shrug their shoulders and go along with a decision that is made by big business that is allowed to rule the lives of our youngsters. I appeal to all parents to protest any decision by these people who are allowed freely to decide the future of our children in athletics.

I would also ask all eligible voters to contact the many candidates in the coming election to express their views on the C.A.H.A. decision.

After all June 25th isn't too far away. Do you read Mr. Scott, Mr. McPhail and Mr. Logan.

HARRY COWEN WINS

ROTARY DRAW

The NHL playoff draw sponsored by the Minden Rotary Club, for the time of the winning goal in the final game was won by Harry Cowan. The prize was \$50.00. Congratulations.

REV. DR. H. G. LESTER ELECTED

PRESIDENT, BAY OF QUINTE

CONFERENCE

A former minister of Queen Street United Church, Lindsay, and of Seagrave Pastoral Charge Rev. Dr. H. G. Lester, Kingston, was recently elected President of the Bay of Quinte Conference of the United Church of Canada during its sessions at Queen's University, Kingston, Ontario, May 13-16, 1968.

"There must be a re-awakening of the sense of Christian vocation," said Rev. Dr. Roy Nichols. In support of this claim he remarked "An unharnessed horse is good for grazing but not for plowing." Dr. Nichols in his devotional addresses spoke on St. Paul, Martin Luther, John Wesley and of his country's race problem and its involvement in Viet Nam. Dr. Nichols is a minister of the coloured race and of a church in Harlem New York. Following his last address to the Conference Rev. Dr. Nichols accompanied by his wife, received a standing ovation in appreciation of his inspiring and informative contribution to the Conference.

"It is a great time to be part of the Christian Church" said Mr. Donald G. Smith of the Board of Men in Representing the General Council of the United Church of Canada at the Conference. However, during his address, Mr. Smith claimed that the Church needs a change in stance, a change in strategy and a change in structure.

Several former members of the Evangelical United Church, including Rev. Dr. Emerson Hallman, were welcomed as members of the Conference. Dr. Hallman who led the Canada Conference, Evangelical United Brethren, into union with the United Church of Canada, January 10, 1968, gave the Communion Service sermon at the opening session of the Bay of Quinte Conference.

The Lindsay Presbytery met during Conference on Tuesday, May 14. The Presbytery decided to authorize its Survey Implementation Committee under Convener, Rev. J. Newton Reed, Sunderland, to proceed with the work of re-alignment, amalgamation and consolidation. It was decided that such agreements as were reached, following meetings with the people of the Pastoral Charges involved, would become effective July 1, 1969.

LOGAN URGES END TO "CREEPING SEPARTISM"

Dave Logan, Liberal candidate, for Victoria-Haliburton riding in the June 25th federal election; chatting with Prime Minister Pierre Elliott Trudeau at a recent meeting in Toronto of Liberal Party personnel from throughout Ontario.

David Logan, Liberal candidate for Victoria Haliburton riding has been asking the electorate to support Mr. Trudeau's desire for a strong unified Canada.

This theme was pounded home by Mr. Logan in two organized meetings and in the countless informal conversations during the last week. Mr. Logan has been rising early and retiring late in his relentless bid for a voice in Canada's affairs.

On Tuesday, May 21, Mr. Logan met with party workers from all over the riding at the Committee Rooms in the Lindsay Curling Rink. An enthusiastic group assembled and they disbonded with a determination and feeling of confidence not previously experienced in Victoria Haliburton for many years. Mr. Trudeau as Prime Minister appeared to be the spur that everyone needed.

On Thursday, May 23, at Central Senior Public School in Lindsay Mr. Logan urged a call for the end to the creeping separatism which is tearing apart the foundations of Canada.

In his thirty minute speech marking the official opening of his June 25 election campaign, the Lindsay lawyer stressed the need to take a new direction — "Chart new courses and look for new ideas if we are going to stop this continuous erosion of those powers which are so necessary if this country is going to continue to be governed by the Government of Canada for the benefit of all Canadians irrespective of where they might live."

He maintained that the people in all parts of Canada have to make a fundamental decision in this election, they have to decide whether they support a strong Dominion Government or

whether they support ten strong provincial governments.

"They have to decide, too, whether they are federalists or whether they are provincialists."

He asked his audience to consider very carefully whether Canada can stay together as one nation if the voprices are allowed the right to negotiate with foreign countries in those areas which come under exclusive federal jurisdiction.

Prime Minister Trudeau, he said, has stated that he came to Ottawa to govern Canadians, not French-Canadians, not English-Canadians, and not any other kind of Canadians — just Canadians.

"If we are going to take those problems which effect our economy, whether it be in the field of agriculture, labour, or industry or if we are going to bring about a just society, a vigorous economy, and a united country, we first have to decide on which government or governments are going to have the responsibility for hte national economy, said the candidate.

He mentioned that Mr. Trudeau is the first Prime Minister in a long while who has tackled this issue head on.

Mr. Logan rounded out this week by knocking on doors and discussing issues in many parts of the riding.

RED CROSS SERVES YOU

CEMETERY BOARD

A meeting of the people of the community of Kinmount, who were interested in forming a Cemetery Board was held in the Community Hall on Monday night.

The following persons made up the new Cemetery Board. Chairman - Mr. Bruce Dettman; Vice-President - Mr. Norman Gilmore; Sec.-Treas. - Mrs. A. Popert; Board of Directors - Mrs. Irene McElwain, Mr. Chas. Molyneaux, Mr. Les Swanton, Mr. Les Switzer, Mr. and Mrs. Herb Wilson and Mr. and Mrs. Jim Peacock; Auditors - Mr. A. Williamson, Mrs. E. Morrison.

RICOCHET BULLET WOUNDS YOUTH

A 20-year-old Scarborough youth, William Bert Harlow, sustained three wounds in his right leg from a hunting accident on the north shore of Cameron Lake Saturday afternoon.

Police said Harlow and 16-year old Robert Post of Scarborough were hunting when fragments of a ricocheting bullet hit Harlow in the leg.

MINDEN KIDS SEE SHRINE CIRCUS IN PETERBORO

Pictured above is some 64 public school children from Minden, who recently took a trip to Peterboro to see the Shrine Circus. This is an annual event made possible through local Shriners Earl Palmer, Floyd Hall and Hugh Alton. The latter is pictured

with children on the extreme right. Bill Payne is shown in the picture on the left, he also helped with this trip to Peterborough. The Shriners of this community have sponsored a trip to the Shrine Circus over the past seven years.

HALIBURTON NIP MINDEN IN SENIOR, BALL, TUESDAY

Haliburton Merchants gave the local seniors their first defeat on Tuesday evening by the tune of 8-6.

Going into the last inning Minden looked well on their way to their third straight win, however Haliburton came up with a big rally and scored five runs.

Dave Dollo and Craig Morrison starred defensively, while Al McMullen and Neil Burk each with three hits in four attempts kept their hitting streak alive.

In last Thursdays game the Minden club rallied from a score of 8-0 to edge out the Haliburton Hylanders 10-8.

This game was a real thriller. Wayne Hope with two hits including a home run paced the team to victory.

Neil Burke continued his sizzling hitting pace with four straight hits.

APPEAL**

Hold-out this spring has been Al "Cub" Coneybeare, but the big fellow came to terms this week. Al got off to a fast start with a triple and a double.

The standings after two weeks of play is Haliburton out in front with three wins, Minden is second with two wins, Hylanders with one win, while Snowdon and Wilberforce have yet to get on the score board.

NORLAND WI

The monthly meeting of the Norland Women's Institute was held at the home of Mrs. E. Brown, with 16 attending.

Two new members were welcomed to the Institute.

Plans were made to attend the Annual Meeting at Powles Corners, May 23.

After business discussion a kitchen quiz was held by the convenor, Mrs. E. Fountain. Mrs. Wm. Quinn was the winner.

Hostesses Mrs. E. Fountain and Mrs. Wm. Weeks served lunch.

BLACK FLY MAY BE ON ITS LAST LEGS

Good news for municipalities in black fly belts, reports Civic Administration, the famous insect could be heading for extinction. Reason: it seems to be susceptible to the same chemical which decks mosquitoes. The chemical Abate, produced by Cyanamid of Canada, has been used successfully to control mosquitoes for some years. Now tests have shown it works equally well destroying the vicious black fly. Injected into water, the chemical kills the insects in their larvae stage without harming aquatic life or wading birds. The black fly deposits its yellowish or black coloured eggs on the surface of rocks, sticks and vegetation at or below water level of swift running streams. Therefore the mixing of Abate with water is important. Temperature should be between 45 and 52 deg. F. Injection of the chemical into the streams is by means of one gallon cans equipped with stop-cocks. This ensures that each dispenser delivers its contents of prediluted laticide over a 15-30 minute period. Diluting the chemical with water helps introduce the solution into the stream. Injection of the diluted material should be made in the centre of the stream or where greatest turbulence occurs. The concentration of 0.3 parts per million will control black fly larvae for a distance of one mile if the 15-30 minute application process is followed.

TOMMY ON TOUR

Tommy Hunter tours Ontario, the Prairies and Western Canada this summer with members of his troupe, before returning to Toronto for the third season of The Tommy Hunter Show, to be seen on CBC television each Sunday, starting September 2, in color. Among the 22 stops on the tour are Kapuskasing, Kenora, Portage La Prairie, Prince Albert, Grande Prairie, Dawson Creek, Vernon, Penticton, Kelowna, Lethbridge, Moose Jaw, Swift Current and Weyburn.

**If you're
planning to
modernize
your home,
here's the place
to begin.**

Modernizing your home can be a delightful experience. Home improvements can do a lot to help make your way of living better than ever. But before you start to modernize, you should take care of one thing first: your household wiring.

If you begin your modernization programme by re-wiring, almost everything about your home will suddenly seem better. You'll have all the electrical outlets you need. Your appliances will perform better, and you can add all the new ones you're ever likely to need without the annoyance of overloaded circuits or blown fuses. Re-wiring will let you take advantage of the new ideas in household lighting. With decorative exterior lighting you'll be able to enjoy patio living on pleasant summer evenings. You will, in fact, be opening the doors to the joys of all-electric living, including the quiet comfort of electric heating. Start modernizing your home by re-wiring.

THE HYDRO FINANCE PLAN will let you re-wire your home right now. Call a qualified electrical contractor for details, or ask your Hydro.

Your co-operation will be greatly appreciated.

G. Bibby, Clerk

DOLLARS AND GOOD SENSE

by William J. Martin

Dear Sir. It used to be, when I was a girl, that a person could buy only what he could pay for. Now, with credit so easy to come by, there is always the danger of overspending. Can you tell me how to avoid the pitfalls of using too much credit?

Mrs. R. M.

The availability of credit to the average consumer has been the means of raising the standard of living in North America. The danger, as you point out, is not in using credit but in abusing credit. There are a number of things you can do to avoid this tendency, but I'll deal only with three at this time. First, your budget should show that you have enough money left over each month, after you have paid for essentials, to meet the payments for items you have purchased on credit. If your budget does not show clearly that you will be able to meet your payments, avoid making any credit purchase at that time.

Second, make no purchase on credit that you would not make if you had the money to buy it with cash. Here's an example. Suppose you walked through a store and saw an item priced at \$49.95. If you would not be willing to take \$49.95 from your pocket and pass it across the

counter for that item, you should not buy it — just because you can get it for no money down. Also, don't be deceived by the words "easy payments." There is no such thing as an easy payment. Every payment is hard.

A third rule that will help you avoid the tendency to over-buy on credit is this: Never make a major purchase on credit without thinking it over for 24 hours. Don't worry. The item will still be there the next day if you still want it, but you'd be surprised how often the deal will look entirely different to you if you sleep on it. One more rule (which is just as appropriate to cash buying as it is to credit buying) which will be helpful to you is this: Never make a major purchase without both the husband and the wife agreeing on the purchase. This will save you financial problems and marital problems at the same time.

ANDREW ALEXANDER KERNOHAN

The community was saddened to learn of the death of Mr. Andrew Kernohan on Tuesday May 14th at the Ross Memorial Hospital.

The deceased was the third son of the late John and Ellen Kernohan and was in his 71st year.

Mr. Kernohan is survived by two brothers and two sisters, namely, Hugh and Robert of Minden, Mrs. Agnes Lansfield of Fenelon Falls and Mrs. Ella Snell of Minden.

The funeral was held from the Chapel of the John Welch and Son funeral home on Thursday May 16th at 2 p.m. where many friends and relatives gathered to pay their respects. The Service was conducted by the Rev. McCaw of Haliburton United Church.

Interment Minden Cemetery.

The pallbearers were four nephews, Murray Barry, Karl Barry Oswald Snell, Ivan Kernohan and two cousins, Alex Taylor and Roy Kernohan.

CANADIANS WILL SUPERVISE SICILIAN RELIEF PROJECT

The External Aid office in Ottawa has advised the Canadian Red Cross Society that two construction experts have been engaged to supervise the erection of the prefabricated huts en route to the Sicilian disaster areas.

As administrator of the Sicilian Earthquake Relief Fund, organized by the Italian community of Metro Toronto, the Red Cross purchased 40 prefabricated buildings for use as school, clinic, recreation and community purposes in areas seriously damaged by the January earthquakes. In substantial measure External Aid is paying the ocean transport of the large shipment due to arrive in Palermo today.

The two construction men, on loan from the Canadian Defence Forces, will meet the ship on arrival in Palermo and will supervise the erection of the buildings and the installation of electrical and plumbing supplies. It is expected they will remain in Sicily for about a month.
